- ENHANCED FREEDOM VALVES
- PATENTED RECEDING VALVE ACTION
- ROCKEE BELLE TRIMMING
- MODERN DISTINCTIVE DESIGN
- LONG LASTING BELL

## STAND-OUT with the VEGA Power TRUMPET

If you want EXTRA POWER — RANGE — and tireless playing . . . you'll choose a Vega Power Trumpet. Low valve action, easy fingering through Vega's receded valve action. The powerful tones and ease of response are due to scientifically acoustical proportions. Nickel silver trimmings add to distinctive appearance and longer wear.

Price includes Gladstone Style Case and mouthpiece.

Power I Vega, Brass lacquer and Gladstone case

Power II Vega, Silver, Gold Bell with case

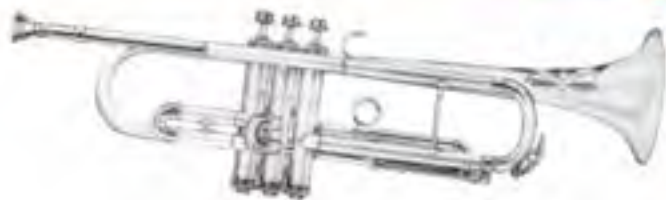

Standard Model — A moderately priced companion model with all brass trimming and one piece, bottom spring valve.
